

Turmeric, Done Better.

WILDCRAFTED, SUSTAINABLE, EMPOWERING COMMUNITIES.

Transform your products with Naledo's award winning wildcrafted turmeric

Your customers expect high quality and great taste. To stay competitive in the better for you category, companies are expected to provide healthy products that are produced ethically and sustainably. We are here to improve your spice sourcing and brand impact story with Naledo's award winning turmeric. We support small-scale growers and provide impact metrics with every purchase, allowing your company to share stories and real impact (*like number of trees planted or carbon stored*) with your consumers.

WHOLESALE SELECTION FOR FOOD, PHARMA + BEAUTY

FRESH TURMERIC ROOT /FRESH TURMERIC JUICE

Heirloom Allepy variety. Deep, rich orange colour, mild earthy aroma, and subtle floral turmeric flavor. Juice the whole root yourself, or we prepare a fresh juice you can add to your beverage formulas. Blends well with tropical flavors.

WHOLE ROOT TURMERIC PASTE

Our award-winning paste that enhances any recipe. Turmeric is a rising star in the super-food category, but many products aren't tasty. Add our paste to your recipe and beat out competitors on flavour and impact. Perfect to adding to dips, spreads, sauces, and condiments.

WHOLE ROOT TURMERIC POWDER

Vibrant orange, subtle earthy turmeric smell, and bold fresh flavour. Our powder is truly the freshest out there. Use less turmeric powder in your formulas with Naledo's potent power. Versatile and can be used in supplements and beauty lines.

Certified B Corporation
This company meets the highest standards of social and environmental impact

MOTHER-DAUGHTER FOUNDERS
UMEEDA AND NAREENA

"From day one Naledo has been a social enterprise, founded on the principle of being a better business for better lives."

Naledo is a Certified B Corp. Our business practices and sourcing is audited to ensure we meet the highest standards.

Empowering Communities

We partner with over 300 small-scale growers. With each wholesale purchase we can include stories to share with your customers.

Sustainable Sourcing

Our turmeric is wildcrafted, while meeting HACCP and GMP standards to ensure safety. No agricultural inputs and impact stats for every pound purchased.
